

Who We Are

Located at 193 Castelnau, just a stone's throw from Hammersmith Bridge, we're redefining the traditional high street agency with a people-first approach built on transparency, trust, and genuine connection. Owner-managed and proudly independent, we blend local expertise with modern insight to deliver a smarter, more personal property experience. Alongside our core set of estate agency services, we also offer a Tendering Service where we liaise with contractors on your behalf to get you the best value for money. Whether you're letting, renting, buying, selling, or simply exploring the Barnes market, get in touch or come in for a chat – we're here to make property feel refreshingly human.
